# 4 Quarters Fundraising Plan

**A workable plan for helping your team raise support for your upcoming mission trip.**

## 01 Personal Contribution

It's important for each participant to personally contribute their **own money** toward their mission trip. *Personal commitment leads to appreciation.*

## 02 Personal Letter and Fundraising Website

*Using the sample fundraising letter we provide,* have everyone write down 20 people outside of the church or school that they could send the letter to: ***neighbors, family, friends, dentists, coaches, teachers, etc.*** Help your group create that fundraising letter/email and use a fundraising website like GiveSendGo or ManagedMissions to help manage.

## 03 2-3 Large Fundraisers

Plan BIG, efficient fundraisers your **whole group** can participate in:

- Church-wide Auction
- Missions Dinner
- Sports Tournament
- Movie Night
- Sell T-shirts
- Rent-A-Youth
- Car Wash
- Bake Sale
- Yard Sale

## 04 Mission Budget or Large Contribution

Many churches and schools have a **Mission Budget** that can provide a scholarship or small percentage toward each particpnt. Also, identify **2-3 people of financial means** who can make large contributions toward the mission trip. *Seek them out, invite them to coffee, and present the opportunity and need.*
